Chairman Thompson called the meeting to order at 7:10 P.M. All joined in the pledge to the United States flag.

Minutes of the April 16, 2007 meeting were approved.

The Committee was informed the installation of the basketball court at Glenna Droscha Park has been postponed until mid-July by the contractor. Member Mert Thompson suggested the dirt from the construction be used to fill the large ruts on the sledding hill. Then the hill could be seeded again this fall.

Other items at Glenna Droscha Park discussed include; spring mates have been installed, speed bumps installed and getting a positive response, and the fence has been repaired by Mert Thompson. The installation of SLOW signs in the future was discussed.

The roof vents at Columbia Creek Park restroom need replacing. Clerk Lawson will contact someone to do the repairs.

Member Larsen asked about the backstop at Columbia Creek Park. Clerk Lawson reviewed the Township Board minutes which stated they would like to hear requested from the residents that use the park before considering. Member Thompson suggested that this question be put to the public in the next Township Newsletter.

Chairman Mert Thompson stated he is planning to make a sign for the Glenna Droscha Park walking path. This sign will be a map of the path with distances shown on it. He is also planning to repaint the sign on the picnic shelter.

As there was no other business the Committee adjourned at 8:00 p.m.

Respectfully submitted,

Donna Lawson, Secretary
