Park Committee members will help conduct the Parks and Recreation Survey on Saturday, September 20, 2008 from 8:00 a.m. to noon during the township-wide free clean up.

The September 15, 2008 meeting will be cancelled. The next meeting of this Committee will be Monday, December 8, 2008 at 6:30 p.m. when we will meet with Lynn Wilson to review the draft documents.

Donna Lawson informed the Committee she had met with Kurt Creamer, coordinator for the Mason area soccer leagues. They are interested in making improvements to the Glenna Droscha Park soccer field. They will be in contact with the Township on details and make some decisions within the next 6 month.

The sledding hill at Glenna Droscha Park is growing with the extra dirt from the construction on Barnes Road. They are doing a really nice job.

Bob LaMere questioned if the splash pad at Columbia Creek Park had been replaced. He also reported the swings needed some repair. Donna Lawson will see that those items are taken care of.

As there was no other business the Committee adjourned at 8:30 P.M.

Respectfully submitted,

Donna Lawson, Secretary
