MAN MADE POND PERMIT:

General Information:

Man made ponds may be permitted in any district, provided that:

1. Underwater slopes shall not be less than three feet horizontal for each foot of vertical depth.
2. A soil erosion permit shall be first obtained from the Ingham County Drain Commissioner.
3. The requirement of all state regulation, if any, must be met.

Prior to construction/excavation of all such ponds, a permit for said pond must be obtained from the Township of Aurelius.
